## THE NO-NO COLLAR

A CRIBBING COLLAR THAT ACTUALLY WORKS!

**HUMANE  
EFFECTIVE  
AFFORDABLE**

"Linda Scott's No-No Collar is the best product on the market to stop cribbing."  
- Logan Payne, Farm Manager, Taylor Made Farm

**Cribbing can lead to a multitude of health issues, including:**  
WEARING DOWN OF TEETH  
GASTROINTESTINAL UPSET  
WEIGHT LOSS

When worn properly, the No-No Collar will comfortably and humanely prevent your horse from completing the cribbing action that allows them to successfully suck air and is much like a mother standing nearby saying "No-No!"

**THE NO-NO COLLAR**

It's Simple • It's Humane • It's Made in Kentucky!

"The time we invested in tutoring was fantastic. Mira has an ability to connect with her students and understand their development needs. I had two very different students tutor with her and results are seen with both. Not only do I see increased confidence in their abilities but also engagement in the subject matter."  
~ Deborah E. (Parent)
